

## **CEB in collaboration with the University's Research Office proudly presents...**

### **Applications for Horizon 2020 Maria Sklodowska Curie (MSCA):**

#### **EU-funded Research Fellowships of the Future**

**When: Thursday 21 May 2015, 2 pm, LT2**

**What: Workshop**

An informative and participative session on MCSA funded research fellowships, a dedicated programme for structuring researcher training whilst promoting mobility and career development.

**In collaboration with:**

Ms Renata Schaeffer, University of Cambridge European Policy Manager

Dr Graham Dransfield, CEB's Knowledge Transfer Facilitator

**Content:**

- Overview of the H2020 Programme Mobility Scheme funding
- Benefits of the scheme
- Successful tips to help put together a good case for application
- Group Discussions
- Q&A Session

**Aim:** A workshop of value for all researchers to raise awareness of and facilitate the application process for Horizon 2020 Maria Sklodowska Curie (H2020/MSCA) mobility scheme funding. This is especially aimed at:

- PIs looking for talented researchers and international collaboration.
- Postdocs or PhD students considering their next career move.
- Q&A Session
